RE: Representation

Dear Mr. Davis:

I have reviewed your information you provided my office regarding your lawsuit. Due to my current case load, I will be unable to represent you at this time. Please be advised that my inability to represent you does not mean that you do not have a case. I strongly urge you to continue seeking other representation as there may be statutes that affect your filing a lawsuit.

Thanks again and I wish you luck in pursuing this matter.

Sincerely,

Andy Nelms
